

Kawananakoa Middle School ADA Program Accessibility Plan

In accordance with the Americans with Disabilities Act (“ADA”), Kawananakoa Middle School (“KMS”) wants to ensure that individuals with disabilities are not denied the opportunity to participate in and benefit from any service, program, activity, or event offered by KMS. Individuals with disabilities are welcome to participate and benefit from the events at our school so that the event can be a positive and memorable experience for everyone.

ACCESS TO SERVICES, PROGRAMS, AND ACTIVITIES

KMS will make reasonable modifications in its policies, practices, and procedures when the modifications are necessary to ensure that services, programs, and activities provided by KMS are readily accessible by individuals with disabilities. In choosing among methods to ensure that the services, programs, and activities are readily accessible, KMS will give priority consideration to those methods that will provide the services, programs, and activities in an integrated setting that is appropriate to the needs of individuals with disabilities.

NOTICE OF ADA ACCOMMODATION

Notice of Request for Accommodations

KMS will provide notice of the availability of ADA access and accommodations in event registration forms, season schedules for school athletic events, and other school event announcements. This notice will include the International Symbol of Accessibility (“ISA”), contact information, and language concerning ADA access and accommodations. It will also direct individuals with disabilities to the appropriate office where they can request an accommodation.

Signage

KMS will work towards providing signage directing users to an accessible entrance or to a location at which they can obtain information about accessible facilities.

FACILITIES ACCESS

KMS has elected to make good faith and reasonable attempts to upgrade facilities for barrier removal in line with the DOE Facilities Branch priority list.
